Got Talent?

This past Spring, Restoration Advocates put on our very first big fundraising event. The event was called “Cross Timbers Got Talent” and was an America’s Got Talent-styled show held at the Cowboy Church of Erath County. The event planning committee met weekly and worked together to bring different areas of expertise, creativity, and ideas to the table.

Auditions were held weeks prior to the event, with thirteen acts chosen for the big night.

Upon arrival to the venue, guests were able to choose meals from a variety of food trucks located on-site prior to the event.

Our emcee & auctioneer for the evening was Brent Graves, who kept the show going flawlessly.

Singers, dancers, instrumentalists, and other artists performed. In addition to the talent on stage, we had a fabulous panel of celebrity judges which consisted: Paige Duke Murray, Sylvia Burleson, and Joy Murray.

The event featured testimonies from our current and past Restoration Place residents as well as a presentation from the Executive Director, Jeannette Maxwell, and a live auction.

At the end of the show, the winners were announced. Performance duo Mila & Noah took home third place and a cash prize of \$250. Emmerson Haschke won second place and a cash prize of \$500. The first place winner was Jacob Humphries with his powerful rendition of “I Will Always Love You”. Jacob took home a grand prize of \$1,000.

After expenses, the inaugural fundraising event raised \$25,261.83 for Restoration Advocates.

The support from our community is felt. This event could not have been pulled off without a few hundred hands & God's grace covering it. We're already looking forward to next year's star-studded event!

Sincerely,

Joanna Mills
